YEARBOOK STAFF

MILFORD CENTRAL SCHOOL
1962

Alma Mater, Milford High School,
We are singing now of thee;
May thy fair name dwell forever
In our fondest memory.
And when high school days are over
And we've gone beyond your sight,
We will love thee yet--
We'll ne'er forget
The Purple and the White.

Hail, Alma Mater,
To thee our heads bow down!
We will sing thy praise
Through endless days
To the Purple and the White.

MRS. EDITH McLEAN

MRS. DOROTHY BROWN

In appreciation of your many years of devoted service to the young people of our school and our community, we gratefully dedicate this year-book to you, Mrs. Edith McLean, and to you, Mrs. Dorothy Brown.

You have both been an inspiration to all who have known you, both in and out of school. We trust that your well-earned retirement years may be filled with health and happiness.

# Class History

In September of 1959, we entered high school with forty-five freshmen. Our officers were Jayne, Fred Carley, Linda S. and Dick H. Vi was on Student Council. We participated in band, chorus, J.V. basketball, J.V. cheering, baseball, football, F.H.A. and F.F.A. The most memorable event of the year was initiation by the Juniors.

Starting our sophomore year we had only twenty-four students, having lost nearly half of our class. Our officers were Dick H., Vee, Linda E. and Jayne. Mike and Vi were on Student Council. This year we again participated in band, chorus, J.V. and varsity basketball, J.V. cheering, baseball, football, F.H.A., F.F.A., Library Club, French Club, and Yearbook Staff.

In our junior year we still had twenty-four students. Our officers were Dick H., Jayne, Vee, and Linda E. Mike and Vi were again on Student Council. This year we participated in band, chorus, J.V. and varsity basketball, J.V. and varsity cheering, football, football cheering, baseball, F.F.A., G.A.A., Library Club, French Club, and Yearbook Staff. This year we initiated the freshmen and had our first car-wash.

This, our final year at M.H.S., finds us with twenty-three seniors. Mike, Dick H., Vee and Linda E. are our officers. Jimmy and Vi are on Student Council. We are participating in, for the last time, band, chorus, varsity basketball, varsity cheering, football, football cheering, baseball, F.F.A., G.A.A., Library Club, Newspaper Staff, and Yearbook Staff. This year we have presented our Senior Play and have sold magazines, taffy and candy. We are now looking forward to our long-awaited Senior Trip to Washington, D. C.

# Class Will

VI leaves her short skirts to Irene Butler. MIKE leaves his place on the basketball bench to Don Eckler. VEE'S forgetfulness goes to Marion Nielsen. JAYNE leaves her 22 inch waist to Sherri Palmer. DICK leaves Mr. Chadwick with one less Republican to insult. LINDA S. leaves her American History notes to John. STAN leaves taking Eve with him. To Diana White, EVE leaves a 12 1/2 lb. pocketbook. To the relief of next year's Student Council, JIMMY leaves. RICHIE leaves a pair of used football pants to Dennie Kirk. CHASIE leaves her red face to Mr. Chadwick. BOBBY leaves Miss Knapp with nothing to do. PATTY leaves, though she hasn't been here very much. To the Driver Ed. class, JOHN leaves his dented fenders. KATHY leaves her quiet ways to Lynn Munkenbeck. CHARLEY'S typing ability goes to next year's typing teacher. EVELYN leaves her long hair to whoever can take care of it - namely Linda Cortright. GENE leaves spelling to Mr. Weast. JERRY leaves Mr. West his poor English too. LINDA E. leaves the shrouds to next year's Senior girls. RONNIE leaves the newspaper staff without a typist. BOB leaves Mr. Bates wondering what he was doing in chem. Lab. GLYNDON leaves Irene to Karin. The SENIOR CLASS leaves the Candy Sale to Mr. Hartwell.

# *Class Prophecy*

The date: April 19, 1972. The time: 1 o'clock P.M. The place: Milford Central School, and You Are There. The scene is the second trip of the Class of '62 to Washington D.C. Being the first to arrive in Milford, I was able to meet the rest of the gang as they came. Stan and Yvonne Martin got there next. I found they were gym-teachers at Notre Dame. I was sorry to hear that Coach Martin has another losing team this year. Eve specializes in dance steps - - - namely the "Way-Out Twist." Bobby flew in from Las Vegas. He owns a big night club and gambling house there. I hear they only get raided ONCE a week now. The featured band at his Club is "Jumping Jerry and the Jive Five." Rocking Ronnie is on the bass fiddle. They say you can't tell him from the instrument. Patty, who came all the way from Paris, is now a well-known artist. ( I wonder if she'd be as good at forging masterpieces as she was at forging passes in school )? Mike and Vi, remarried for the 4th time, arrived next. He's an Admiral in the Navy now and everything would be fine if he could find those 2 battleships he misplaced. Vi was secretary to the President, but quit her job when J.F.K. left office. While the luggage was being loaded, I had a chance to see the rest of the kids. Dick H. became a jet pilot, but his career ended when he buzzed the ex-President's summer home. Charley is still using his camera. He's a Photographer for "Playboy," his model being Vee "Slinky" Balnis. Glyndon finally got back home after he became the first astronaut to land on the moon. Linda Sherman Pitcher is now a designer. Her new line of fashions resembles the shrouds we wore for our Senior pictures. Linda E. still refuses to go along with the fad. Jimmie is the proud possessor of a half-acre lot, but he's producing more children than crops. No one recognized Evelyn with her new hair-do. Glad she had it trimmed, but a crew-cut is ridiculous! Richie wanted to be a professional basketball player, but it seems he was too short. Huh?? Kathy did, however, become a star player. Ron thinks she should stay home and take care of their kids. ( 9 )!! Bob couldn't make it. He is in the hospital recovering from the last explosion in his experimental chemistry lab. ( MAD SCIENTIST )?? Chasie is finally a "blushing bride." ( I wonder what took Lish so long ) ? Johnny's book about the Air Force, "A Pilot's Harem on Tahiti," was made into a movie. He married the star, B.B. ( Not Bridget, but Bona Baggley )! Gene isn't with us yet. We'll see him in Washington on the Senate floor. I understand he's still arguing about Business Law. I sure was surprised ( to say the least ) to see how the gang had turned out. I guess they were probably a little shocked to find I had become an aspiring novelist. ( I got my start on the yearbook staff ). Well, we're about ready to leave - wonder if this trip will be as much fun as the other one was?

# BRESEE'S DEPARTMENT STORE

MICHAEL KUBIS
Sr. President

Many people visiting Oneonta are amazed that we have a store the size and quality of Bresee's. It can easily be called a "family store" because it accommodates the needs of every member of a family.

A bride-to-be would find a wide selection of wedding gowns and accessories. When the time comes to start selecting furniture and appliances for her home, she will find a ready supply of each. In planning for a new arrival, the parents will be aided by the Bresee's baby department. As the child grows up, the parents will find a large variety of toys in the toy department and clothing in the many clothing departments. As they become teenagers, they will develop an interest in the record and book departments. Mom and Dad will enjoy the atmosphere in Bresee's: music, seasonal decorations, displays, and the friendly attitude of the salespersonnel. Other conveniences of Bresee's that everyone will enjoy are the air conditioning, escalator, and the Health Bar.

See you at Bresee's!
